

BIOELECTROCHEMISTRY

Re: **SMCBS 2011 Special Issue of *Bioelectrochemistry***

Dear Author,

In consultation with the Organising Committee of the 5th International Workshop on Surface Modification for Chemical and Biochemical sensing, SMCBS 2011, agreement has been reached for publication of selected papers from this Workshop as the Special Issue of our Journal ***Bioelectrochemistry***. You are cordially invited to submit your paper for inclusion in this issue.

Participants are invited to submit full-length manuscripts for potential inclusion in a special issue/section of the Journal **BIOELECTROCHEMISTRY**, devoted to SMCBS 2011, All manuscripts will be subject to the usual strict peer reviewing procedure.

To enable us to process the manuscripts as fast and efficiently as possible, you are kindly invited to submit your manuscript via the journal's online submission and reviewing system accessible at:

<http://ees.elsevier.com/bioelechem>.

Please, find below instructions for submitting your manuscript.

In order to submit a manuscript

- . go to <http://ees.elsevier.com/bioelechem>
- click on the "Submit Paper" option from the top menu
- . enter your user name and password (first-time users should register first)
- . after entering the title of your manuscript, please, select **SMCBS 2011** as the 'Article Type',

then follow the remaining step-by-step instructions.

Points to note.

- The deadline of submission your manuscript to the **SMCBS 2011** Workshop Special Issue of *Bioelectrochemistry* is **15th December 2011**.
- When preparing your manuscript, please, follow the journal's Guide for Authors, which you can find on the online submission site at <http://ees.elsevier.com/bioelechem>.
- In your cover letter, please, mention that your manuscript is intended for the **SMCBS 2011** Special Issue.

If you experience any technical problems or have any technical questions during the submission process, please contact Elsevier's Author Support: authorsupport@elsevier.com. If you have any questions on the submission and reviewing process, please contact the Editorial Office: r.collins@elsevier.com

We sincerely hope to include your manuscript in the journal.

With best wishes,

Patricia Massar
