

Accomodation

You are responsible for making your own arrangements. However, we have reserved a number of college rooms that can be booked with a special discount by 1st of June 2013. The price for a single room is 70 PLZ (~ 17 EUR) per night and this is a special rate for the school participants only.

In order to book a room please contact directly to the person responsible for booking via e-mail: ds4@pg.gda.pl.

Note these are the dormitory rooms at the University campus, located approximately 1 km from the Center of Nanotechnology building, in which all sessions will take place.

There are 56 single and 56 double renovated rooms, equipped with basic furniture: a bed, a desk, a wardrobe, and a fridge. There is a bathroom (shower and toilet) which is shared with the other room.
