

Nano-Biotechnologia PL 2012

Dear Sir/Madam,

We kindly invite you to participate in Nano-Biotechnology conference, September 17 and 18, 2012, in the lesser Hall of Warsaw University of Technology. The conference is a satellite event of E-MRS Fall Meeting.

The objective of the conference is:

Creation of influential and effective biotechnological environment

Please register at <http://science24.com/event/nanobiotechnologiaPL/>

Conference fee is 150, students 50zł. Abstract deadline - June 30.

Industry speakers/representatives will be first to given their papers.

Sample topics: Nanomedicine, Nonocosmetics, Bio-nanomaterials, Nanotechnology for healthy food, Nanotechnology for protection of environment,

More on our website

Agenda:

Monday - 17th September, **upon paid conference fee, on-line registration**

- Plenary sessions
- Presentation of projects and research capabilities of Bio-Nano Materials Centre CePT
- Consulting points: NanoForCE project, NMP TeAm II and Enterprise Europe Network project

Tuesday - 18th September, **admission is free, on-line registration**

- **NanoForCE – Infoday** – ‘Nanotechnology for chemical companies – how to merge scientific knowledge with business in Central Europe’
- **„Mat&Nano Brokerage Day”** (NMP TeAm & EEN). **! Separate registration** <http://conferences.kpk.gov.pl/Default.aspx?id=21> !

Sincerely yours

Scientific Committee

Prof. Witold Łojkowski

Prof. Małgorzata Lewandowska

Prof. Urszula Narkiewicz

Honorowy patron konferencji

Prof. Krzysztof Jan Kurzydłowski

Centrum Badań
Przedklinicznych i Technologii

This project is implemented through the CENTRAL EUROPE Programme co-financed by the ERDF
