

Nano and Advanced Materials Workshop and Fair NAMF 2013

Ladies and Gentlemen,

on behalf of the organizers we kindly invite you to take part in
an international scientific conference titled:

„NANO AND ADVANCED MATERIALS WORKSHOP AND FAIR, NAMF 2013”,

which will be held on September 16-19 2013 in Warsaw

(Main Building of Warsaw University of Technology, Plac Politechniki 1).

The main objective of the Conference is to support the implementation of the nanotechnology and advanced materials in industry.

The newest world trends in: research on nanotechnology and advanced materials, regulatory issues and nano-standards presented.

The meeting (which is a part of the Nano-PL 2010, 2011, 2012 cycle of conferences) will be an opportunity for establishing business contacts with representatives of both scientific and business communities and thus will further strengthen the cooperation between these groups and in this way should facilitate the works of the nano-biotechnology cohesive community.

Professor Jerzy Kącki, Chairman of the Scientific Council of the National Research and Development Centre, has taken the honorary patronage over the event.

We kindly invite:

- **Entrepreneurs** who want to upgrade their products and improve their market position through use of nanotechnology and advanced materials;
- **research teams** seeking to commercialize their research results;
- **investors** who are interested in advanced technologies;
- **anyone interested in expanding their knowledge on present trends in nanotechnology and advanced materials**

Conference fee:

➤ registration:

- **Late fee- 900 PLN ***
- **Students - 400 PLN*** on special request student fee can be reduced, contact organizers

➤ exhibition space 1000 PLN

➤ advertisement on the home page of the conference - 200 PLN

* The fee includes:

- all lectures and poster sessions of the Conference,
- sightseeing of the Laboratory of Nanostructures for Photonic and Nanomedicine of the Institute of High Pressure Physics Polish Academy of Sciences
- coffee breaks, lunch, sandwiches and drinks during the evening poster sessions
- the publication of the book of abstracts (which will also be available on line)

Deadline for abstracts: 20th July 2013 r.

Detailed information, as well as the registration form can be found at: www.namf2013.eu

Contact Person: Mr Maciej Łojkowski- email: maciek.lojkowski@gmail.com ,
tel. +48 536 312 198

Cordially Invite,

Prof. Witold Łojkowski

Conference Organizers: Institute of High Pressure Physics of the Polish Academy of Sciences, Department of Materials Science and Engineering, Warsaw University of Technology, Faculty of Management Białystok University of Technology, Karlsruhe Institute of Technology (KIT), Institute for Superhard Materials of NASU (Ukraine, Kiev), E-MRS Society, Polish Society for Materials Research and the National Contact Point for Research Programmes of the EU, CEZAMAT KPK.
