

## **IUCr support of travel expenses to students**

International Union of Crystallography has awarded special fund for support of travel expenses of students, post-graduate students and post-doctoral fellows of the age of 30. These grants will be awarded to these participants who have registered to the ICCGE-17 Conference, submitted an abstract, have the abstract submitted, and presented documents proving their student status at the registration of the Conference. The amount of the grant will be 1000 PLN. The number of the grants is limited. In order to apply for the grants please send an application to the Conference Secretary Konrad Sakowski using email: [iccge17sec@mail.unipress.waw.pl](mailto:iccge17sec@mail.unipress.waw.pl).

The message should contain the following information :

- i/ first name and family name
- ii/ citizenship
- iii/ date and place of birth
- iii/ institution/university/institute
- iv/ presentation title and session number
- v/ copy of student id (pdf file)
- vi / justification of the request, describing the research (short - a few sentences) by the supervisor (pdf file).

The deadline for application is 15<sup>th</sup> May 2103. The decision of the allowance of the support will be sent by email not later than 25<sup>th</sup> May 2013.
